The power of direct mail

What's the best way to get noticed in today's flood of digital media? Direct mail. A well-designed mailpiece targeted at the right audience captures attention, inspires discovery, and prompts people to take action. REAL MAIL, the kind delivered to your customer's mailbox, the kind they hold in their hands, is more visible, impactful, and effective than ever.

How it works

Click2Mail.com uses a network of strategically located, high-quality printers to print, prep, and sort large volumes of mail six days a week. Our adherence to strict postal requirements means your mail qualifies for bulk postage rates without minimum quantities or setup fees. Click2Mail.com reduces both the time *and* the cost of mailing almost any number of pieces.

Online TODAY, in the mail TOMORROW

Click2Mail.com offers a convenient, easy-to-use, online toolbox for producing postal mail. Address standardization, variable data printing, and Confirm™ tracking services are all provided free of additional charges and volume discounts are available.

Produce your mailing today and the Post Office will have it tomorrow.*

Click2Mail is a trusted and accredited partner of the United States Postal Service (USPS).
